4. **English Version** (20 marks)
- (1) Define under developed economy.
 - (2) Discuss the characteristics of under developed economy in the context of Indian economy.
 - (3) Examine the reasons for low agricultural productivity in India and discuss its remedies.
 - (4) State the process of industrial transitions in India before independence.
 - (5) Examine the factors of green revolution in India.

ENGLISH VERSION

- Instructions :** (i) All questions carry **equal** marks.
(ii) Write clear and to the point answers.

1. What is under developed Economy ? Discuss the characteristics of under developed economy to context Indian Economy. **20**

OR

1. State causes of “population explosion” in India. Narrate the Economic effects of increase in population. **20**
2. Examine the reasons of low agriculture productivity in India and discuss its remedies. **20**

OR

2. (a) State the process of Industrial Transitions in India before Independence. **10**
(b) Examine the factors of Green revolution in India. **10**
3. Describe the significance of small-scale industries in India and discuss its problems. **20**

OR

3. (a) Examine the limitations of agriculture product selling system in India. **10**
(b) To evaluate land reforms in India. **10**

4 To evaluate planning system in India. **20**

OR

4 (a) Discuss the recent (1991) Industrial policy in India. **10**

(b) Examine the effects of Globalisation in Indian economy. **10**

5 Write short note : (any **two**) **20**

(1) Tenth Five year plan

(2) Major problems of Economic Development

(3) World Trade Organization (W.T.O)

(4) Regional Rural Bank (R.R.B.)

(5) Recent Trends of Foreign Trade.
