REGIONAL MEDICAL RESEARCH CENTRE, N. E. REGION
INDIAN COUNCIL OF MEDICAL RESEARCH
Post Box No. 195, Dibrugarh - 786 001 (Assam), INDIA

No: RMRC/DIB/Adm-102 (Proj- Rec)/2012-13/3637

Date 21/3/13

Notice

Walk in interview for the following posts vacant under time bound Extramural Research Projects implemented by Regional Medical Research Centre, N.E. Region (ICMR) Dibrugarh, will be held on 03/04/2013 in the Regional Medical Research Centre, N.E. Region (ICMR) Dibrugarh from 10 a.m. onwards.

1. Name of the project: National Hospital Based Rotavirus Surveillance Network at RMRC, Dibrugarh.

- A) Scientist B (NM), (1 post): Essential qualification: 1st class Masters in Biotechnology/ Microbiology. Desirable Qualification: PhD in Life science. Age: Not exceeding 35 years. Salary: ₹ 33,306/- + HRA.
- B) Laboratory Technician (1 post): Essential qualification: Matric/ Higher Secondary (Science) with one year diploma in Medical Laboratory Technology from recognized Institute and eight years experience in a Government recognized organization or B.Sc in biological Science with two years of experience in relevant field. Age: Not exceeding 35 years. Salary: ₹ 13,760/-
- C) Data Entry Operator (1 post): Essential qualification: Graduate with Diploma in Computer application from recognized University/ O level certificate from DOEACC with knowledge of Statistics. Desirable qualification: Experience on data entry work. Age: Not exceeding 28 years. Salary: ₹ 13,760/-

2. Name of the project: Multisite Epidemiology and Virological Monitoring of Human Influenza Viruses in India-Phase-II

- A) SRE (NM)(1 post): Essential qualification: M.Sc in biological science with two years research experience in communicable diseases-Virology/Bacteriology/Microbiology etc. Desirable Qualification: Experience in PCR detection and isolation of virus by tissue culture is preferred. Age: Not exceeding 35 years. Salary: ₹ 18,000/- + HRA.
- B) Junior Nurse (1 post): Essential qualification: Higher Secondary (Science) with qualification in Nursing (ANM with two years/GNM/B.Sc in Nursing). Age: Not exceeding 35 years. Salary: ₹ 13,760/-

3. Name of the project: Upgradation of Virology Division to a nodular molecular Virology Lab dedicated to focus on HIV, Hepatitis and Influenza viruses in northeast India

- A) Laboratory Technician (1 post): Essential qualification: Matric/ Higher Secondary (Science) with one year diploma in Medical Laboratory Technology from recognized Institute and eight years experience in a Government recognized organization or B.Sc in biological Science with two years of experience in relevant field. Age: Not exceeding 35 years. Salary: ₹ 13,760/-

Notice

4. **Name of the project: Identification of immunodiagnostic antigenic fractions of paragonimus species by western blotting**
- A) Laboratory Technician (2 posts): Essential qualification: Matric/Higher Secondary (Science) with one year diploma in Medical Laboratory Technology from recognized Institute and eight years experience in a Government recognized organization or B.Sc in biological Science with two years of experience in relevant field. Desirable: Willing to go to field –Arunachal Pradesh, Meghalaya, Nagaland and within Assam. Age: Not exceeding 35 years. Salary: ₹ 13,760/-
5. **Name of the project: Genotyping diversity and drug susceptibility and mutation patterns among Mycobacterium tuberculosis complex from Assam, India.**
- A) SRF (NM)(1 post): Essential qualification: M.Sc in Microbiology/ Biotechnology with two years research experience. Age: Not exceeding 35 years. Salary: ₹ 18,000/- + HRA.
- B) Laboratory Technician (1 post): Essential qualification: Matric/Higher Secondary (Science) with one year diploma in Medical Laboratory Technology from recognized Institute and eight years experience in a Government recognized organization or B.Sc in biological Science with two years of experience in relevant field. Desirable Qualification: Willing to go to field for sample collection in early morning. Age: Not exceeding 35 years. Salary: ₹ 13,760/-
6. **Name of the project: A study on Eco-Epidemiological perspectives of emerging west Nile virus in Assam.**
- A) Laboratory Technician (1 post): Essential qualification: Matric/Higher Secondary (Science) with one year diploma in Medical Laboratory Technology from recognized Institute and eight years experience in a Government recognized organization or B.Sc in biological Science with two years of experience. Desirable a) Experience in drawing blood from human of various age group. b) Experience in laboratory diagnostics including ELISA Age: Not exceeding 35 years. Salary: ₹ 13,760/-

Interested candidates are requested to appear for the interview/ personal discussion on the date and time mentioned above. Candidates will be required to produce all the certificates and testimonials, in original, with up to date biodata and one set of attested copies of these documents along with photograph at the time of interview in support of their qualification, age and experience. SC/ST/OBC candidates are allowed age relaxation in accordance with the Govt. of India Rules, in force. No TA/DA for attending the interview is admissible. The decision of RMRC will be final in this regard. Canvassing in any form will be considered as a disqualification.
