6. What are the steps involved in implementation and evaluation of a system?

7. What is DSS? What are the models? Explain its components.

8. What are the benefits and application of content management?

9. What are the types of IS? Explain each of them.

10. Explain a) ERP b) SCM.

11. What are recent developments in MIS area?

12. How do you manage the multimedia content?

13. What are the ethics in IT?

14. Explain the features and characteristics of objects in object oriented analysis and design.

Managerial Economics

1. Managerial Economics is the application of Economic Theory to business management.
Discuss

2. What are the needs for demand forecasting? Explain the various steps involved in demand forecasting.

3. Define production function. How is it helpful while taking output decisions?

4. (a) 'The monopolist represents one man industry'? Comment and discuss how equilibrium position can be attained by the monopolist.

(b) Use appropriate diagrams to supplement your answer.

5. (a) Define partnership and explain its salient features and limitations.

(b) What are the qualities of a good partner?

6. What are the components of working capital? Explain each of them.

7. Give a brief account on the important records of Accounting under Double entry system and discuss briefly the scope of each.

8. (a) From the information (given with attachments), calculate

i. Debt Equity ratio ii. Current ratio

(b) Calculate Interest Coverage ratio from the information (given with attachments) .

MARKETING MANAGEMENT

1. At the time when the market leader for instant noodles was Nestles Maggi, the main challenger was Top Ramen's Noodles. Applying the concepts of marketing Management, what would be your strategic plan in order to keep up the top position of Maggi

2. Discuss the relationship between 'Segmentation' and 'Positioning'. Explain the major criteria of Segmentation and Positioning. Quote sufficient examples to strengthen your answer.

3. (a) Describe in detail the stages in the Product Life Cycle

(b) In this context, explain the challenges that a Marketing Manager has to deal while introducing a new product

4. What do you understand by Channel of Distribution? Explain the different kinds of Channel of Distribution in detail.

5. Explain the factors affecting Pricing Decision. What are the various methods of pricing a Product? Briefly explain them. Also, differentiate between Price shadowing and Price Covering.

6. What are the essential Factors influencing Consumer behavior? Explain its significance in Marketing Management in accordance with the Technology advancements.

7. Write Short Notes on any four of the following:

(a) Price Skimming. (b) Media Selection for Advertising (c) Sales Promotion

(d) Product Differentiation

8. A new product is to be launched by a company at Mumbai. As a part of identifying the consumer behavior, the company intends to carry out a research process. Outline a Marketing Research Process for the company in order to establish the requirements of the consumers.

1. Discuss the main issues narrated in the case in your own style

2. Carry out a SWOT Analysis.

MARKETING MANAGEMENT

1. Examine the progress of Profile's Group as a leading interior designer and decorator.

2. What kind of change was observed in the STP strategy of the firm and how was it useful?

3. Evaluate the working of Profile's group with respect to the Segmenting, Targeting and Positioning of markets. Do you have any suggestions for the firm?

1. How will you determine the marketing mix for our enterprise?

2. Do you have any ideas to make our enterprise successful particularly by enhancing or improving the marketing mix?

3. What do you think will be the challenges in making an effective marketing mix since our enterprise is a new one?

1) Identify the qualities of Roger as a PR professional and analyse his role in the companies that he worked for.

2) In the above problem situations, was there any other approach that Roger could have adopted? If yes, suggest some approaches. If no, why do you agree with Roger's approach?

3) List the PR tools and strategies that were adopted by Roger in dealing with the problem situations.

1:- Identify the approach (plus points and negative points) of the two salespersons in the above situations and make a comparative analysis.

2:- In both the situations, were the customers satisfied with how the salespersons handled their queries? Analyze the sales person's and customer's interactions in the above situations.

3:- If you were a salesperson, how would you have handled the above two situations? Do you have any suggestions for Jagan and Tarun?

MARKETING MANAGEMENT

1. What marketing strategy should be designed by Mr. Sarin to be able to achieve the targeted 5% market share?

2. How should Deepa Products (P) Ltd. position Trust Regular and Trust Night to induce customers to buy it? What should be the key benefits of their toothpastes?

3. Should the company price its products economically, or should it aim for premium pricing?

1. How important is new product development to Caterpillar?

2. What sources of new product ideas might a company like caterpillar use?

3. Evaluate CAT as a brand name.

4. Evaluate each of the four points of CTC's strategy.

1. How do you explain the present situation faced by the company?

2. Was it a good idea to enter into a three-year contract with the Cooperative Society? Why?

3. Is it possible to renew the contract with the Cooperative Society? If so, how? Suggest a detailed programme on a crash basis with the budget constraint of Rs. 50, 00, 000.

1. What decision would you take if you were in place of Mr. Nathan?

2. Do you feel the proposal of a new sub-office is economically justified against the stated policy of the company? If yes, why? If no, then how could it be made justifiable?

09901366442 – 09902787224

OPERATIONS MANAGEMENT

1. (a) Draw a systems view diagram of any service organization of your choice. Identify its various components. Explain its interdisciplinary nature. 10

(b) What are the major characteristics of a Production system? Discuss some of its upcoming issues that provide economies in production and efficiency in the performance of the system. 10

2. (a) Explain with examples, how the TQM concept can integrate design engineering, manufacturing and service. 10

(b) What are process capability studies ? Explain the process capability index with applications to a real life example. 10

3. (a) Compare traditional process planning with Computer Aided Process Planning (CAPP). Also explain a generative CAPP system. 10

(b) Explain the objectives of Total Productive maintenance. Give its importance. Also comment on the concept of TPM promotion. 10

4. (a) Why is forecasting required in operations management ? Discuss the concept of forecast error as applied to different conditions. 10

(b) How are quantitative models of forecasting different from qualitative models ? Discuss in detail time-series model as used for forecasting. 10

5. (a) What is facility planning ? Explain with examples different types of layouts as used in manufacturing organisations. 10

(b) Discuss work measurement as a process to establish task time. Explain the various techniques for developing time standards. 10

6. (a) Explain just in time manufacturing with the help of examples. Discuss its advantages and disadvantages. 10

(b) For an independent demand inventory model, derive the equation for Economic Order Quantity. List all assumptions. 10

7. Write short notes on any four of the following: 4x5=20

(a) OPT

(b) Break even analysis

(c) Lean manufacturing

(d) Kanban system

(e) Line of Balance for Production Control

(f) Purpose of aggregate plans.

ORGANIZATIONAL BEHAVIOR

(a) What is the problem in the case?

(b) How do you see the behavior of the safety supervisor? What would you do if you were the safety supervisor ?

(c) How do you see the change in John's behavior from an informal leader to the one involved in a fight with a supervisor vis-a-vis the company's policy?

(d) Could Mr. Prasad and the safety supervisor have prevented John's case at the initial level?

(a) What is the problem in the case? Explain.

(b) Explain Govinda's behavior and work experience vis-a-vis the psychologist's report.

(c) How do you see Nair's suggestion to Amrit? Give reasons.

(d) What are Amrit's considerations in taking a decision? What should he do? Explain.

(a) Define the major problem of EMCORP's management.

(b) Will the formation of a committee be of any value in this situation? If a committee is needed, assign a title to the committee and indicate who should be members of the committee?

(c) In the event that Roy decides to retire, will the presence of a committee make it easier or more difficult for Roy's successor? Discuss.

(a) What is your view of the action taken by Mr. Muthu?

(b) What are the weakness and strong points, as you consider, of Mr. Muthu as a Manager?

(c) How would you have tackled the situation, if you were Mr. Muthu?

(a) How did a brilliant engineer turn out to be a "deadwood"?

(b) Was Mr. Mohan too sensitive and arrogant?

(c) Did Mr. Tagore handle sensitive and intelligent engineers properly?

(d) Was it not advisable to transfer Mr. Mohan in 1992 when the signs of trouble were seen?

(e) Should Mr. Tagore have stopped Mr. Mohan's increment in 1993, knowing fully well that he was quite competent?

ORGANIZATIONAL BEHAVIOR

1. Name two motivating factors at RBS.

2. Describe the differences between the theories of Taylor and Maslow.

3. How does RBS' Total Reward package fulfill Maslow's higher levels of motivation?

4. How does Total Reward contribute to RBS' overall strategy?

* Explain what is meant by a premium brand.* Describe the difference between an aim and an objective

* Outline the purpose of Kellogg's work with the ASA.

* Using examples to support your dialogue, evaluate how Kellogg communicates and discuss how

this enables it to position its brand.

- 1 . What is Kaizen? How is this different from a one-step leap forward?
2. How is Kaizen expected to help Leyland Trucks to increase its market share?
3. How does Leyland Trucks measure its continuous improvement? Can you suggest K KPIs for another type of business organisation e.g. a retailer or a leisure centre'?
4. Why is continuous improvement most likely to be achieved in a company with a culture of trust'?

Start your answer by explaining what is meant by a culture of trust.

1. What do you understand by the term, 'thinking outside the box'? Give an example of how this can

be applied to engineers working for RWE npower.

2. How does encouraging thinking outside the box help RWE npower to make improvements in the

way in which it operates?

3. Explain how encouraging engineers at RWE npower to think outside the box has led to

increased

motivation for these employees.

4. Recommend way in which another organisation of your choice might improve its employees to

think in creative ways about work. results through encouraging its employees to think in creative ways

about work-related problems.

1. How does Siemens seek to provide good career opportunities for employees?

2. Describe one of the systems that Siemens has created which provides development opportunities

for employees at work

3. How important is the appraisal system in helping to create shared understandings the objectives of

the organization and personal objectives of individual employees?

4. How effective do you think the Siemens approach to people management will be 2 in creating great

results?

Principles and Practice of Management

(a) Identify the problems in this case.

(b) Do you think the decision taken by shukla is in keeping with the faith, trust and creating developmental climate in the organisation? Critically evaluate

(c) How would you help in improving rough and tough behavior of employees?

(a) Identify the core issues in the case

(b) Place yourself in the position of the Personnel Director. Which of the following courses of action would you have chosen and why?

(i) Would you have discharged both men?

(ii) Would you have discharged Bhola only?

(iii) Would you have discharged Nathu only?

(iv) Would you have discharged neither of them? Justify your choice of decision.

(c) What policy and procedural changes would you recommend for handling such cases in future?

(a) What are the core issues the case?

(b) Do you agree with the statement "The problem, of course, has its roots in the production department itself"? Reason out your stand.

(c) Critically evaluate the finding that old supervisors complain and new workers to resist any type of control.

(d) What type of control system would you suggest to the company to improve the production?

(a) What do you think is the real, problem in this case?

(b) How do you perceive the stand of Mr. Singh? Analyze critically.

(c) What intervention should Mr. Singh use to rectify the type, of situation he is presently confronted with? Discuss giving the reasons.

(d) Discuss the implications of effecting them with your recommendations.

Questions:

(a) What is the problem in your opinion? Elaborate.

(b) How would you explain the behavior of Renu and Mrs. Khan? Did Mrs. Khan handle the situation timely and properly?

(c) Assume that you are the Personnel Manager. What are the alternatives available with Mrs. Khan?

(d) What do you consider the best alternative? Why?

Principles and Practice of Management

1. What opportunities and threats did McDonald's face? How did it handle them? What alternatives could it have chosen?

2. Before McDonald's entered the European market, few people believed that fast food could be successful in Europe. Why do you think McDonald's has succeeded? What strategies did it follow? How did these differ from its strategies in Asia?

3. What is McDonald's basic philosophy? How does it enforce this philosophy and adapt to different environments?

4. Should McDonald's expand its menu? If you say no, then why not? If you say yes, what kinds of precuts should it add?

5. Why is McDonald's successful in many countries around the world?

1. Can a division manager develop verifiable goals, or objectives, when the president has not assigned them to him or her? How? What kind of information or help do you believe is important for the division manager to have from headquarters?

2. Was the division manager setting goals in the best way? What would you have done?

1. Evaluate the formulation of the merger between Daimler and Chrysler. Discuss the strategic fit and the different product lines.

2. Assess the international perspectives of Eaton and Schrempp.

3. What are the difficulties in merging the organizational cultures of the two companies?

4. What is the probability of success or failure of the merger? What other mergers do you foresee in the car industry?

1. The re-engineering efforts focused on the business process system. Do you think other processes, such as the human system, or other managerial policies need to be considered in a process redesign?

2. What do you think was the reaction of the brand managers, who may have worked under the old system for many years, when the category management structure was installed?

3. As a consultant, would you have recommended a top-down or bottom-up approach, or both, to process redesign and organizational change? What are the advantages and disadvantages of each approach?

1. Is the Hewlett – Packard way of managing creating a climate in which employees are motivated to contribute to the aims of the organization? What is unique about the HP Way?
2. Would the HP managerial style work in any organization? Why, or why not? What are the conditions for such a style to work?

1. In the NUMMI joint venture, what did Toyota gain? What were the benefits for General Motors?

2. As a consultant, what strategies would you recommend for European carmakers to improve their competitive position in the global car industry?

09901366442 – 09902787224

PROJECT MANAGEMENT

1. What is Organization Culture, how do you create culture in project management?

2. Write short notes on the following

a) Suitable Organization Structure for Projects

b) Stakeholder Management

3. What are the approaches in Project Screening & Selection?

4. a) Explain Work Break Down Structure.

b) Explain Financial Module in Project Management.

5. What is Risk Management in Projects, also explain Four -stage process?

6. What factors do you consider in preparation of project budgets?

7 a) What is cross functional co- operation?

b) Explain the uses of Virtual Project teams.

8. Write short notes on the following

a) Project Termination & types of project Termination b) Future Trends in Project Management

Quantitative Techniques

1. Distinguish between decision making under certainty and decision making under uncertainty. Mention certain methods for solving decision problems under uncertainty. Discuss how these methods can be applied to solve decision problems.

2. Distinguish between probability and non-probability sampling. Elucidate the reasons for the use of non-probability sampling in many situations in spite of its theoretical weaknesses.

3. What are models? Discuss the role of models in decision-making. How can you classify models on the basis of behavior characteristics?

4. What are matrices? How are determinants different from matrices? Discuss few applications of matrices in business.

Section B

Write short notes on any ten of the following:

(a) Concept of Maxima and Minima

(b) Types of classification of data

(c) Pascal Distribution

(d) Multi-stage sampling & Multi-phase sampling

(e) Box-Jenkins Models for Time Series

(f) Determinant of a Square Matrix

(g) Primary and Secondary Data

(h) Bernoulli Process

(i) The Student's t Distribution

(j) Use of Auto-correlations in identifying Time Series

(K) Absolute value function

(l) Quantiles

(m) Criteria of pessimism in decision theory

(n) Cluster vs. Stratum

(o) Moving average models

(p) Step function

(q) More than type ogive

(r) Subjectivist's criterion in decision making

(s) Double sampling

(t) Auto regressive models

Retail Management

1. Do you think that people will buy merchandise related to movies? If yes please mention the reasons.

2:- Suggest ways to overcome from piracy problems in movie merchandising?

3:- Suggest new type of merchandise that film producers can bring it to the market?

4:- Are you aware of Hollywood movie merchandise? If yes specify how they are different from Bollywood merchandise. Do you think that Indian consumer buy Hollywood merchandise?

1:- Do you think that virtual retailing channel will have consumer confidence?

2:- How the company should attract the modern house wife who is addicted to serials to watch home shop?

3:- Discuss the new product development strategies used in the case?

4:- Do you think Network 18's segmentation is proper? Comment.

1. Analyze the marketing strategies adopted by Sharma to promote his boutique-Mriganani.

2. What steps should Mr. Sharma take to promote the sales

PROJECT REPORTS AND THESIS

aravind.banakar@gmail.com

ARAVIND

09901366442 – 09902787224

BUSINESS ENVIRONMENT

1. Discuss the changing scenario of business environment in India and its principal implications for the business.

2. (a) Explain the dualistic character of Indian economy and the problem of uneven income distribution.

(b) Outline the development of consumer movement in India.

3. (a) Write notes on (i) adjudication machinery for settlement of disputes, and (ii) Employees Pension Scheme, 1995.

(b) Enumerate the powers of the Central Government to control production, supply and distribution of essential commodities under the Essential Commodities Act, 1955.

4. Describe the important amendments proposed under the Companies (Amendment) Bill, 2003 and the additions proposed thereto by Irani Panel.

5. (a) Can SEBI compel a public company to get its securities listed on the stock exchanges while making a public issue? On what grounds can the listed securities be delisted by a stock exchange? State the rules in this regard.

(b) "The role of stock exchanges in India need not be over - emphasized". Comment.

6. Describe the evolution of the concept of corporate governance and outline the various measures adopted in India to ensure good corporate governance.

7. Make a critical assessment of New Economic Policy keeping in view the long term objectives of economic development.

8. (a) What are the objectives of EXIM policy 2002 - 07? Explain its main provisions.

(b) Write an explanatory note on functions and coverage of WTO.

9. Distinguish between the following:

(a) Micro Environment and Macro Environment

(b) Economic Growth and Economic Development

(c) Money Market and Capital Market

(d) Entrepreneurship, Role and Promotional Role of Government

Business Strategy

Q.1. Write short notes on ANY TWO of the following

- a. Globalization
- b. Task and processes in formulating business strategy
- c. TQM Philosophy
- d. Characteristics of well formulated corporate objectives

Q.2. Describe Vision and Mission statements with suitable illustrations. What is the difference between vision and mission? How does business definition help in articulating the Mission statement?

Q.3. Describe Porter's five forces model to analyse competition with reference to light commercial vehicle industry.

Q.4. Describe the GE multifactor portfolio matrix and state how the GE matrix is superior tool Vis a Vis the BCG matrix.

Q.5. a) Describe Ansoff's matrix

b) What is the difference between market penetration and market development? Illustrate with suitable examples.

Q.6. What is "Best cost provider" strategy? What are the risks in pursuing this strategy?

Q.7. What strategic options a firm could follow when the firm is operating in a maturing industry?

Q.8. Describe the role of strategy supportive reward system with suitable illustrations.

E- Commerce

1. Expand and explain the following abbreviations: (2x10=20)

(i) SHTTP (ii) WAP (iii) M-Commerce (iv) TCP/IP (v) SSL (vi) SATAN (vii) EFT
(viii) XML (ix) B2B (x) MODEM

2. Write short notes on: (3x5=15)

(a) Smart cards (b) Digital or Electronic cash (c) Electronic wallet (d) Electronic cheques (e)
Digital copyrights

3. Explain the role and support of E-Commerce in the following applications: (3 X 5=15)

(i) Real estate business (ii) Insurance sector (iii) Jobs and employment sites (iv) Entertainment
sites (v) Travel

4. Explain the following web-enabled services with respect to the time saving, efforts of the
user, convenience and quality factors: (Any 2) (5 X 2=10)

(i) Banking (ii) Stock trading (iii) Education

SECTION B

Answer any four questions from this section. (4 X 10=40)

4. Describe the complete life cycle for the development of on-line E-commerce system using any of the existing E-commerce systems.
5. (a) Explain in brief the different types of E-Commerce from the perspective of the buyer and seller relationship by giving suitable example for each.

(b) List the advantages of E-commerce. Also mention the disadvantages (if any)
3. Explain in detail on-line airline ticketing system. How is it different from conventional system? Explain with the help of a diagram, types of transactions one can do, mode of payments and the various security features of on-line banking system.
4. What is on-line publishing? Explain the components of on-line publishing.
5. (i) Discuss the features of any C2C E-Commerce system.

(ii) Explain the security measures to be considered for any B2B E-Commerce system.
6. Discuss the steps in the process-oriented commerce development approach with reference to any web enabled E-Commerce system.

MANAGEMENT CONTROL SYSTEMS

1. Explain the various components of control systems.

2. Explain the following models and highlight their usefulness in formulating business unit strategies:

- (a) The BCG Model
- (b) General Electric (GE) Planning Model

3. Explain the boundary conditions in the context of profit centre. Also explain the process of performance measurement of profit centers.

4. What do you understand by Investment Centres? Explain the methods used for measuring investment centre performance.

5. What do you mean by budgetary control system? Explain the process of budgetary control in an organization.

6. Describe the criteria on which the incentives of business unit managers are decided.

7. What are the various special control issues faced by Multi National Corporations?

8. What are the characteristics of a project organization? Explain how these characteristics affect the control system design of a project.

Marketing Management

Q.1) Define Marketing Management. Discuss its importance and scope in today's dynamic Competitive Environment.

Q.2) What is 'Product Life Cycle' ? How Marketing Mix Decisions have to be adjusted at different stages of PLC (Product Life Cycle) ?

Q.3) Explain various pricing strategies a firm can adopt.

Q.4) What is Product Mix ? Explain various Product Mix Strategies with suitable examples.

Q.5) Discuss various cultural issues involved in International Marketing.

Q.6)

(A) What is Consumer Buying Behaviour ?

(B) Explain various steps involved in Buying Consumer Goods.

Q.7) Write short notes : (Any Two)

(a) Promotion through International Exhibitions and Trade Fairs

(b) Use of Internet as a Marketing Tool

(c) Channel Conflicts

Retail Selling

QUESTION: COMMENT ON ANY 8 OF THE FOLLOWING PROBLEMS:

1. The organized retail industry in India is faced with stiff competition from the unorganized sector.

2. There is a shortage of quality real estate and infrastructure requirements in our country.

3. Opposition to Foreign Direct Investment from small traders affects retail industry.

4. Very high stamp duties on transfer of property affects the industry.

5. Shortage of retail space in central and downtown locations also hinders the growth of retail industry.

6. Presence of strong Pro-tenancy laws makes it difficult to evict tenants and this is posing problems.

7. Land-use conversion is time consuming and becoming complex.

8. For settling property disputes, it consumes lot of time.

9. Rigid building laws makes procurement of retail space difficult.

10. Non residents are not allowed to own property except they are of Indian origin.

11. Prohibition of Foreign investment in real estate business.

12. Customs duties are levied on import of goods in India.

Section B

20 MARKS

We are assessing distribution options for a new line of accessories (upscale purses, scarves, jewelry). Ideally. We would like to get into some of the upscale department stores. Since we are not familiar with entry into these channels,

QUESTION: How will you point us in the right direction as to how best to get started in making such contacts and getting the outlets interested in distributing my products? Where is the best place to get more information on supplying goods to retailers?

SECTION C

20 MARKS

The layout of my shop is poorly designed and I am not always able to keep an eye on all customers. Cameras and mirrors are out of the question at present and I frequently "lose" small items.

QUESTION: Is there an inexpensive theft deterrent that you could suggest?

Inventory Management

1.
 - (a) What is ABC analysis?
 - (b) Give four examples of MRP.
 - (c) What is meant by lead time?
 - (d) Define standardization.
 - (e) What are the various inventory models?
 - (f) What are the functions of inventory?
 - (g) Explain briefly the various types of inventories.
 - (h) Define traffic management.
 - (i) What is the need for feedback inventory information system?
 - (j) Give two factors considered for choosing equipments for material handling.

PART – B

Answer any Six questions from the followings: -

2. Explain the following terms:
Lead time, Re-order point, Stock out cost and Set-up cost.
 3. What is the purpose of safety stock? How will the use of safety stock affect the EOQ? How will the safety stock affect the total annual carrying cost of the material?
 4. Describe the relation between Material requirement planning and Master productions schedule. What are the advantages and limitations of MRP?
 5. What are the objectives of stores management? How do you decide about the location and layout of an effective store in an organization?
 6. What is the purpose of JIT? Why are flexible resources essential for JIT? How are suppliers affected by JIT?
- Q.7 A) What is Raw Material? What are its two important factors? Describe.
B) Describe bought out components. What factors influence the decisions for bought out components?
- Q.8 A) What are (KU) and (KO). Describe them in brief.
B) What are elements of ordering costs? How will you workout-ordering cost per order when you release 5000 orders a year with total ordering cost of Rs. 400000.
- Q.9 A) What is Safety Stock? List out the various factors influencing the safety stock.
B) Define Service Level? How does it help in determining the Safety Stock? Explain with

example.

Q.10 A) What is forecast? List out different types of forecasts.

Why is forecast needed?

B) Describe in brief dependent demands and independent Demands.

Q.11 Write Short notes on any 4 out of the followings: -

A) Inventory with Supplier

B) Inventory carrying cost.

C) FSN Classification

D) Other uses of EOQ.

E) Inventory Control through Stock – Levels.

F) Scrap / Surplus and its disposal.

G) Overhauling Spares

H) Role of computers in Inventory Management.

PART – C

CASE STUDY (COMPULSORY) WITH 05 Sub – question

M/s ABC is a car manufacturing company. They have a distribution system for marketing of finished goods as follows:-

A. Finished goods are sent to Central warehouse near the factory.

B. From here, the finished goods (cars) are sent by road to seven Regional warehouses located at important centers in the country.

C. Besides above two types of warehouses, there were 27 depots from where the cars are sent to different stockiest for sale.

Due to severe market competition and restrictions on bank credit, the Top Management of M/s ABC appointed an expert committee to streamline the distribution system, The committee found followings :-

1. Central warehouse, 7 Regional warehouse and 27 Depots together have finished stock (cars) equal to 105 days all India sales.

2. The Marketing Manager has no time to check the Finished Goods Stock as he is busy with marketing functions.

3. There are several cars which are lying for more than 2 years due to availability of new better models.

4. There was lack of controlling and supervising norms for monitoring the stock positions and taking corrective actions. Indents for new cars were sent without checking of stocks.

Apart from other things, the committee advised to put the finished Goods warehousing under Materials Management deptt. and advised a finished goods stock (Cars) equal to 48 days all India sales stock as ideal stock level in all the warehouses and depots together.

M/s ABC Management has appointed you as Materials Manager to complete the above tasks. How will you proceed? The questions are:-

1. Will you review the existing numbers of warehouses and depots for reduction? If so, why?
2. How will you find slow moving and non-moving stock of cars? What methodology will you suggest to dispose off such cars?
3. What shall be your methods for monitoring and controlling of finished Goods (car) to avoid accumulation of unsold stocks in future?
4. Will you retain Central warehouse and why?
5. What will be your distribution pattern for keeping stocks in central warehouse/Regional warehouse and Depots equal to the norms of 48 days All India Sales stock level?

SUPPLY CHAIN MANAGEMENT

1. What is Physical Distribution Management (PDM)? Why is PDM considered to be a critical area of overall supply chain management? Discuss the system or 'total' approach to PDM in detail.
- 2- Define SCM integration and discuss the four stages of Steven's model of supply chain integration. Also, describe the strategies involved in SCM integration.
3. "Many innovations on technology-based approaches are well-suited to the enhancement of the effectiveness of Supply Chain Management"-Justify the statement by giving few applications of information technology in SCM.
4. What is Customer Profitability Analysis? Why has it gained importance in the recent times? Is it ethical to deny a customer who is not profitable?
5. Why is the location of warehouse important for the SCM? Discuss some methods for determining the location of the warehouse

6. What are the essential differences in the Supply Chain Management of Products vs. Services? Discuss the application of Supply Chain Management principles in Financial Services.

Questions:

(a) What, in your opinion, is the major reason for the failure of Kozmo?

(b) Do you think that Kozmo promised what its supply chain could not bear? What could have prevented its shut-down?
