

It's almost six months since we started howtoexam. We started with a need of question papers for different universities. We created a forum and social networking platform for the better user interaction. Moving forward we received some requests related to entrance exams.

In starting we were thinking that unlike university question papers, we have good information regarding entrance examination on the internet but after some research and analysis we found that either material is not available or it is unorganized and incomplete.

We are very pleased to announce that our development of entrance examination search-submit platform is in good face and we will release it in beta mode soon.

Platform involves two level hierarchy, first level is listed below.

- Engineering, Architecture and Information Technology
- Medicine, Dental and Health Care
- Business and Management
- Banking, Finance and Accounting
- Education and Teaching
- Law
- Biotechnology

- Pharmaceutical

- Indian Army and Navy

- Agricultural Courses, Agricultural Management and Dairy

- Media, Film and Mass Communication

- Ayurveda, Homoeopathy, Unani, Naturopathy and Yoga Courses

- Hospitality, Tourism and Aviation

- Government

- Other

Papers could be submitted either as Sample paper or as Actual old paper (You are always requested to submit question paper along with answers).

In case of Sample paper users will be requested to provide source where he can mention coaching, Organization's name or persons name who created the paper.

Suggestions and feed backs are requested for improvements.

Note: Users are always encouraged to submit original items instead of copy paste, Also please don't paste copyright items else item will be deleted without any warning.
